Sheriff-Coroner Chad Bianco
Riverside County Sheriff's Department
4095 Lemon Street
Riverside, CA 92501

Re: Non-Fatal Officer-Involved Shooting of Robert Utley on January 4, 2018, by Deputy Eloy De La Garza, Badge No. 3784; Riverside County Sheriff's Department, Case No. SW180040040

Dear Sheriff Bianco,

We have reviewed the investigative reports and other materials submitted by the Riverside County Sheriff's Department concerning the non-fatal shooting of Robert Utley by Deputy De La Garza on January 4, 2018. Our office completed its review of this incident on February 4, 2020.

PERSONS INVOLVED

At the time of the officer-involved shooting (OIS), Robert Utley was 59 years old.

At the time of the incident, Deputy De La Garza was working with fellow members of SWAT, as well as other personnel of the Riverside County Sheriff's Department, at the scene of a barricaded subject. He was inside a Riverside County Sheriff's Department Bearcat and wearing a department-issued Riverside County Sheriff's Department uniform at the time of the shooting.

FACTUAL SUMMARY OF THE INCIDENT

On Thursday, January 4, 2018, at approximately 4:00 p.m., deputies from the Southwest Sheriff's Station received a report of a family disturbance from a residence located at [REDACTED] Sandia Creek Drive, located in the unincorporated community of De Luz in Riverside County. Deputies arrived at the location and received information that a male adult, later identified as Robert Utley, ordered [REDACTED] to get on the floor and threatened to harm them while armed with a firearm, holding them against their will for

approximately two hours inside the residence. The family members were able to flee from the residence and reported the incident to local law enforcement.

Members from the Crisis Negotiation Team arrived on scene and contacted Utley with the assistance of [REDACTED]. Deputy Bartlett was the crisis negotiator on scene who spoke with Utley. During multiple conversations over the course of a few hours, Utley's demeanor was erratic, shifting from statements that he would never hurt a deputy to he would shoot the first deputy he saw. Utley hung up on Deputy Bartlett multiple times during the course of the incident. He made numerous threatening statements including his desire to hurt the deputies on scene.

During the course of the incident, while Utley was still inside the residence and armed with a shotgun, it was learned that an adult male and adult female were inside a guest house located on the 20-acre property. Due to the male being in possession of a firearm and threatening to harm anyone who approached the residence, the Riverside County Sheriff Department's SWAT team responded and assumed the investigation. SWAT team members contacted the occupants of the guest house and safely evacuated them away from the property. After multiple refusals to exit the residence, Utley discharged a shotgun in an unknown area of the residence.

When SWAT team members attempted to re-contact Utley, he exited the residence armed with a shotgun. In fear for his safety and that of his team members, Deputy De La Garza shot Utley as he exited his residence armed with a shotgun. Medical personnel were on scene and provided medical aid and treatment for Utley's injuries.

Utley was taken into custody and transported to Inland Valley Medical Center for treatment of his injuries. He was subsequently booked into custody and arraigned on charges related to the underlying incident.

THE INVESTIGATION

Investigators responded to the scene of the shooting and began their investigation soon after the incident. Investigators spoke with Utley, witnesses, responding deputies, and the deputy involved in the shooting.

INTERVIEW WITH ROBERT UTLEY

On January 11, 2018, at approximately 1:48 p.m., Investigator Mullins interviewed Robert Utley at Inland Valley Medical Center in Wildomar. A good portion of the conversation was erratic and non-linear.

Utley was advised of his rights and agreed to speak with Investigator Mullins. By way of background, Utley said there were problems with family members regarding the property and it had created tumult within the family. [REDACTED], likes to "get the drama going." Due to his supervisory role on the ranch, Utley was the target of other [REDACTED]'s scheming and no longer considered many of them [REDACTED] and she enjoyed "making his life miserable." [REDACTED] was the "golden boy" whom [REDACTED] always treated better than the others. In essence, Utley was mistreated and underappreciated for all the work he did on the ranch.

On the day of the incident, Utley received some training on how to use a shotgun from a friend of his who was former military. Shortly after, while at his residence and still holding the gun in his hand, he had an argument with [REDACTED] about their wasteful spending and refusal to accept their own responsibility for the financial problems. Utley maintained that the gun was pointed away from [REDACTED] was uncomfortable with Utley possessing a gun and told Utley he should not have a gun. According to Utley, [REDACTED] had been conning [REDACTED] out of money.

Utley continued to discuss with Investigator Mullins how his family continued to blame him for the problems at the ranch and how they refused to acknowledge all that he did on the property. [REDACTED] unfairly made it seem like he was "a domestic violence guy." The conversation continually devolved into a stream of consciousness rant that seemed to have little to do with the underlying incident.

At some point in the afternoon, [REDACTED] called [REDACTED] to the house. Utley still had the shotgun when [REDACTED] arrived. During the argument with [REDACTED] Utley claimed he never pointed the shotgun directly at them but was holding it. Utley denied ever threatening [REDACTED] and denied keeping them in the house. According to Utley, it was a normal disagreement until [REDACTED] told him that he and [REDACTED] were heading into town and left. Utley said [REDACTED] called the police when he left "to get the attention going and it just grew out of hand."

Ultimately, Utley admitted to having a shotgun in his hand while arguing with [REDACTED]. Utley denied ever pointing the gun directly at them and denied ever threatening them. Utley acknowledged being under heavy stress and drinking prior to the incident. He admitted he did not remember certain portions of the incident. Utley admitted saying he was going to kill the deputies that approached his residence and "he had both ends covered." Utley threatened the deputies because Utley was stressed and wanted them to leave him alone. Utley fired his shotgun in the backyard area approximately two times roughly one and a half hours apart. Utley fired his shotgun in the backyard to "wake [REDACTED] up" and let him know he took it too far this time. Utley said the gun had been "put away" approximately 10 to 12 feet down the hallway when he was shot. Utley also admitted to making multiple types of threats against law enforcement when he was on the phone with the negotiator.

CIVILIAN WITNESSES

[REDACTED]

On January 5, 2018, Investigators Higgins and Mullins interviewed [REDACTED].

[REDACTED] suspected [REDACTED] had been stealing from the ranch prior to his death. Utley came to the ranch after [REDACTED] died and [REDACTED] noticed funds were also missing during Utley's tenure. This caused problems in [REDACTED], specifically between [REDACTED] and Utley.

According to [REDACTED], Utley is a con man and has repeatedly swindled [REDACTED] out of money in the past. Utley accused [REDACTED] of embezzling millions of dollars from the ranch. Thus, the family had a lot of internal strife due to Utley's past behavior.

When [REDACTED] arrived at [REDACTED] house on the day in question, he observed [REDACTED] sitting on the ground with Utley pointing a shotgun at her. As [REDACTED] approached, Utley pointed the shotgun at [REDACTED]. Utley repeatedly threatened [REDACTED] while exclaiming [REDACTED] were the reason for his problems. [REDACTED] felt Utley was going to kill [REDACTED] based on Utley pointing the shotgun at [REDACTED] and the verbal threats. [REDACTED] had never seen Utley act in that manner before. [REDACTED] was held at gunpoint with [REDACTED] for approximately an hour and a half to an hour and forty-five minutes. Utley repeatedly threatened [REDACTED] and pointed the gun at them. Utley said they could not leave. [REDACTED] believed Utley was psychotic.

[REDACTED] convinced Utley to allow him and [REDACTED] to leave. [REDACTED] called 911 as soon as they left. After [REDACTED] left, [REDACTED] received multiple voicemails from Utley. A number of the voicemails referenced previous family disputes or problems. [REDACTED] played the voicemails out loud so investigators could hear. Within one message, Utley stated in part, "So, don't bother calling back. I got a few black and whites to deal with in another coming up. Goodbye and I hope you enjoy the rest of your life." In another, Utley said in part, "You didn't keep your word. [REDACTED] didn't keep her word. I will keep mine. And that means taking one shot to I'm going after them, [REDACTED]." Utley stated in yet another voicemail in part, "I'm tired of taking all your crap. And those guys out there, well, what happens, happens. It's not my fault. But I'm never going out except in a body bag. But thanks buddy. I never did consider you [REDACTED]. So, fuck off."

[REDACTED]

On January 9, 2018, Investigators Higgins and Mullins interviewed [REDACTED]

[REDACTED] of Robert Utley and [REDACTED] relationship has been strained for some time dating back to when Utley used [REDACTED] social security number to open multiple credit cards. [REDACTED] has known Utley to be not only verbally abusive, but also, he had seen Utley physically abusive with [REDACTED].

On January 4, 2018, [REDACTED] had a missed call and voicemail from Utley. [REDACTED] did not listen to the message in its entirety since he immediately returned Utley's call. [REDACTED] described the conversation as one-sided, since Utley was mostly rambling, jumping to seemingly unrelated topics. Utley told [REDACTED] he was proud of him, then asked him "how long did you know that she was cheating on me?" referring to [REDACTED] was unable to speak as Utley continued to ramble. Utley said he had a shotgun loaded with five rounds. Utley said that while he would not use the gun on himself, he would make sure the officers fired on him. [REDACTED] had the impression that those were [REDACTED] "final words." The conversation did not last long, and the call ended.

At the conclusion of the interview, [REDACTED] allowed investigators to listen to the voicemail left on his phone. During the message, Utley stated his intention of committing "suicide by cop."

[REDACTED]

[REDACTED] is Utley's [REDACTED] and they have been friends for several years. [REDACTED] considers Utley to be her close friend and they talk to each other often. Over the previous few months, especially

near the holidays, Utley had been talking about the idea of suicide. Utley was Catholic and knew suicide was a sin, but he had toyed with the idea of suicide by cop. [REDACTED] would get upset when Utley talked like this and [REDACTED] would immediately try to raise his spirits and discuss the negative consequences of those actions. Utley once said he had filled a box to be given to each of [REDACTED] after he was dead. The boxes were reportedly filled with items of sentimental value.

On January 4, 2018, at approximately 9:00 p.m., [REDACTED] received a phone call from Utley. Utley said he had snapped and messed up due to [REDACTED]. Utley repeatedly said, "I fucked up. I fucked up and I snapped. [REDACTED] wanted to drive to Utley's house and help, but Utley told her to stay away because the police were present. Utley told [REDACTED], "The police are crawling all over here. You know I've got a gun. I'm not, you know, I've taken a handful of pills. I am not going to kill myself, [REDACTED]. I am not going to do it. But they're going to kill me. I'm going to start firing off rounds and I want them to take me out."

At that point, [REDACTED] hung up on Utley and called 911 to inform law enforcement what he said.

[REDACTED]

Investigator Paz interviewed A.F. at the Southwest Station on January 5, 2018 at approximately 9:20 a.m.

[REDACTED] worked for the Utley family on their avocado ranch. [REDACTED] had been living on the property in the smaller residence for the preceding six months. He previously worked for a neighbor who recommended him to the Utleys.

[REDACTED] confirmed that "Bob" (Utley) and [REDACTED] lived in the larger residence. [REDACTED] last saw them on January 4, 2018, at approximately 3:15 p.m. As [REDACTED] was walking to his residence after work, he saw them outside talking to [REDACTED]. Later in the day, [REDACTED] knocked on [REDACTED] door and told him not to come outside. At approximately 6:00 p.m. [REDACTED] noticed a helicopter flying around the large residence. The police then arrived and "rescued" [REDACTED]

[REDACTED] did not know what caused Utley to act that way and did not know of any problems with [REDACTED] [REDACTED] heard a single gunshot but did not remember if it was before or after the helicopter arrived.

[REDACTED]

Investigator Paz interviewed [REDACTED] at the Southwest Station on January 5, 2018 at approximately 9:42 a.m.

[REDACTED] had been living on the property with [REDACTED] for the previous 5 to 6 months. Utley and [REDACTED] lived in the larger residence. [REDACTED] was inside her residence when someone came by and told [REDACTED] not to come out of the residence. [REDACTED] later heard a helicopter outside and a single gunshot. The police came to their door and escorted them out.

████ did not know of any problems with Utley or █████ and did not know what caused the incident.

INVOLVED OFFICERS

Deputy Eloy De La Garza – Shooting Officer

On January 8, 2018, about 9:35 a.m., Investigators Mullins and Higgins interviewed Deputy Eloy De La Garza regarding the officer involved shooting.

On January 4, 2018, Deputy De La Garza was assigned to the Special Enforcement Bureau SWAT team. Deputy De La Garza was at the station with other team members when they were notified of an incident of an armed subject with possible hostages at a residence in Temecula. Corporal Fitzgerald responded to the location as a liaison for the SWAT team to assist patrol and determine if the circumstance warranted the activation of a full SWAT team response.

Deputy De La Garza and other SWAT team members monitored the incident by listening to the radio traffic. Deputy De La Garza heard aviation advise they had visual of the subject exiting the rear of the residence with what appeared to be a rifle or shotgun. Due to an increasing concern for the safety of two individuals still on the property and the safety of the deputies on scene, Deputy De La Garza and other SWAT team members were ordered to respond.

Deputy De La Garza arrived at the scene where he was instructed by Sergeant Winder to locate an area for a command post. While establishing the command post, deputies advised they had heard a gunshot come from the area of the residence. Deputy De La Garza, Sergeant Winder, and other members of the SWAT team discussed assignments and designated perimeter positions. Deputy De La Garza was assigned to Emergency Response Team #1 which was to stand by at the base of the driveway at the front of the residence and prepare to conduct an emergency rescue evacuation if needed.

Deputy De La Garza's team remained in position at the base of the driveway until they were notified a Ramey warrant for the subject, Robert Utley, had issued. Both Emergency Response Teams coordinated their resources to create a plan to approach the residence and surround the property. Deputy De La Garza's team included a crisis negotiator to make announcements to call Utley out of the residence in a peaceful manner in an effort to resolve the situation as safely as possible.

Utilizing the Bearcat, Deputy De La Garza's team began to approach the residence up the main driveway. About 100 yards from the residence, SWAT team members in perimeter positions advised on the radio they heard an additional gunshot come from the area of the residence.

Deputy De La Garza's team positioned the Bearcat at the top of the main driveway for the best position to cover the front of the residence and commence commands. Emergency Response Team #2 followed up the driveway in a Bearcat with a rescue crew and positioned themselves where they could also cover the front of the residence. Once both teams were in position, they illuminated the front of the residence and the crisis negotiator began to make announcements for Utley to surrender using a public address system.

A second crisis negotiator at the command post continued to communicate with Utley by telephone. Utley seemed to be increasingly hostile in his threats toward law enforcement. Utley repeatedly told the crisis negotiator the property was "booby-trapped" with explosive devices that were ready to "blow up." Utley also repeatedly threatened to shoot the first deputy he saw and made statements that he intended to "rush" toward the deputies with "guns blazing."

Deputy De La Garza took the position in the turret of the Bearcat to monitor several windows and a sliding glass door along the front of the residence. Deputy De La Garza could also see the second Bearcat and knew there were deputies positioned outside the Bearcat attempting to gain a better visual of the property. Although they had illuminated the residence, Deputy De La Garza was unable to see beyond the blinds and glass of the windows. Deputy De La Garza became concerned for his safety due to his exposure in the turret and began to shift his position to reduce his risk of being shot. He was also concerned about the safety of his partners he knew were on the property with limited cover and concealment.

The crisis negotiator advised the teams that Utley had given a ten-minute countdown at which point he intended to detonate the explosive devices and come out with "guns blazing." As this time passed, the crisis negotiator advised that Utley gave a five-minute countdown warning saying that if deputies entered his house, he will be waiting for them. Toward the end of the five-minute countdown, Deputy De La Garza noticed the blinds to the front glass sliding door move, and the sliding glass door began to open. The door opened about halfway when Deputy De La Garza said he saw what he believed to be the barrel of a shotgun begin to come out the doorway in what he described as a "port arms" position. Deputy De La Garza saw what he believed to be a silhouette of a person and a leg in the doorway at which time the barrel of the shotgun began to lower in the direction of deputies on the property in a position to his left. Fearing for the safety of those deputies, Deputy De La Garza fired three to four rounds from his department-issued rifle in the direction of the subject to eliminate the threat to his partners. The subject retreated inside the residence and Deputy De La Garza could no longer see the subject or the shotgun. A few seconds later, the crisis negotiator said Utley called him and was "mocking" the deputies saying they "had missed" him.

Deputy De La Garza continued to monitor the front windows and sliding glass door and believed he saw the subject move across some windows on the second story of the residence. Deputy De La Garza conducted a tactical reload of his rifle by replacing his magazine with a fresh one. Several minutes later, his team members in the other Bearcat advised they had visual of the subject standing at the front door; however, from Deputy De La Garza's position he was unable to see the subject.

Deputy De La Garza could hear deputies ordering Utley to put both of his hands in the air. Utley initially refused to comply with their commands but eventually surrendered and was placed in prone position on the ground and taken into custody.

Following the shooting, Deputy De La Garza provided a public safety statement to Sergeant Winder and then was escorted by Sergeant Patrick Carroll from the scene to the SWAT command post, and then later to the Southwest Station. Deputy De La Garza described the uniform he was wearing when he arrived at the scene as a tan and green deputy sheriff uniform with a green outer load-bearing vest. Before his team approached the residence, Deputy De La Garza removed his vest and patrol belt to put on a green SWAT team uniform over his patrol uniform. He also wore additional protective equipment including a helmet, a vest with ballistic plates, and a belt to carry equipment including a gas mask.

Deputy De La Garza said at the time of the shooting he was also in possession of his Glock 17 pistol; however, his primary firearm was his department-issued M-4 rifle. Deputy De La Garza described his rifle as having a three position safety switch which allows it to be switched from safe, to semi-automatic, or to a full-automatic firing position. During the incident, Deputy De La Garza kept his rifle in safe until the moment he believed Utley was going to shoot in the direction of his partners in an attempt to kill somebody, prompting him to switch the rifle to the semi-automatic firing position and use lethal force. The decision to keep his rifle in safe until the moment he decides to use deadly force is due to [REDACTED] on the SWAT team which trains the operator to make a split-second decision before firing to reduce accidental discharges and casualties.

Deputy De La Garza's rifle had magazines with 30-round capacity; however, he only loaded his magazines with 28 rounds.

[REDACTED] He has also assisted in several situations involving hostages and barricaded subjects during which he did not fire his firearm.

Deputy Robert Bartlett

On January 4, 2018, Deputy Bartlett and Deputy Jauert were working as Temecula Problem Oriented Policing Team in the City of Temecula. They were wearing green tactical vests with the word "POLICE" in yellow stitching on the front and back, green cargo pants and a green shirt with the word "POLICE" on the sleeves and back of the uniform. They were driving a grey unmarked Ford Crown Victoria.

At approximately 4:45 p.m., Deputies Jauert and Bartlett responded to the staging area at the corner of Rancho California Road and Avenida Del Oro to make contact with the initial responding deputies. The reporting party, [REDACTED] were also present at the staging location. [REDACTED] was in contact with [REDACTED] Utley, through a cell phone. Sergeant Hilton spoke with Deputy Bartlett and confirmed that he was with the Crisis Negotiators Team (CNT) and asked that he establish communications with Utley. [REDACTED] informed Deputy Bartlett that there was no cell phone service at the residence and the only way to communicate with Utley was through the house's landline. Thus, Deputy Bartlett remained at the staging location for the duration of the incident to communicate with Utley.

Deputy Bartlett began his initial communication with Utley using [REDACTED] cell phone at approximately 5:30 p.m. Utley was extremely agitated and said that he would shoot the first

person he sees approaching his residence. Utley said that everyone lies to him and the whole family is "out to get him." Deputy Bartlett asked Utley to leave his weapons inside the residence and walk to the bottom of the driveway to meet with deputies. Utley refused and said he would not come out and the night would end with him dying from "suicide by cop" or him killing himself.

During the first 45 minutes of the conversation, Deputy Bartlett did not record the conversation because he did not know how to fully operate [REDACTED] cell phone. Utley hung up on Deputy Bartlett multiple times causing Deputy Bartlett to call back and re-establish communication. The conversations with Utley were erratic, with Utley stating he did not want to hurt anyone but himself one minute, then saying he would shoot and kill the first deputy he saw. The entire communication with Utley was marked with Utley hanging up the phone multiple times.

Throughout the conversation, Deputy Bartlett asked Utley to leave his weapons inside the residence and walk to the bottom of the driveway where deputies were waiting for him. Each time Utley refused. Deputy Bartlett repeatedly reassured Utley that he would not be hurt, yet Utley still refused.

The following are samples of some of the quotes made by Utley during the conversation:

"I will just watch this house go up in flames."

"You fucking think you're going to kill me? Do it. Clean shot is all I ask."

"Get a body bag out and ready. There's going to be an officer involved shooting so be ready."

"So go ahead and send your fucking bombs at the house. As soon as that sucker goes off, this one goes in my face."

"I guarantee the first one that comes through to try to help is gonna get it."

"As soon as they hit this thing, they're all gonna go up in one nice big ball."

"They better be ready to fire and bring it on, because I just want to be gone and I'm going to let them have the pleasure."

"I'm going to meet them before they meet me. So, adios mother fucker."

"You think you're going to rush the door? Go ahead, bring it. I'm going to take the first one out in the head and the next one is going to go right through mine."

"I'm telling you right now the only way I am coming out is with a body bag."

"If that helicopter comes by one more fucking time, I'm taking out the AR and I'm popping some fucking rounds off and give him a little taste of what he's looking at."

"They can get it all on the fucking news. In fact, I'm going to call a couple of the station myself right now. Tell them there is a hostage suicide in progress and that suicide is only going to come by suicide by cop. So you better make sure you guys are holding weapons because I'm going to

be taking one of them. If anyone pulls up that driveway, there is already a trap waiting for them that will level at least one car."

"I hear that cop's voice one more time, I'm going to take him off at the head."

"When I go outside, I'm going with a bang."

Deputy Robert Frieberg

On January 10, 2018, at approximately 2:19 p.m., Investigators Mullins and Higgins interviewed Deputy Frieberg at the Special Enforcement Bureau.

On January 4, 2018, Deputy Frieberg was assigned to the Special Enforcement Bureau SWAT team. Sergeant Winder notified him that their team had been requested to respond to an incident at [REDACTED] Sandia Creek in Temecula. While en route to the location, Deputy Frieberg monitored the radio traffic relaying information that the subject at the residence was armed with a shotgun or rifle and was threatening to shoot the first deputy to arrive.

Deputy Frieberg arrived at the scene with Deputy De La Garza. After being briefed on the circumstances, Deputy Frieberg established a location to set up the command post where he remained until the decision was made for his team to approach the residence in the Bearcat.

The perimeter of the property was fenced and only accessible with the Bearcat through a remotely operated gate at the base of the property. Deputy Frieberg approached the residence inside the Bearcat along with Sergeant Winder, Deputy Noyes, Deputy De La Garza, and Deputy Green. Deputy Frieberg was seated in the rear passenger side of the Bearcat. Once the team was in position, Deputy Frieberg exited the rear of the Bearcat to cover the southeast corner of the residence.

While in position, he heard either Deputy De La Garza or Deputy Green say the curtains were moving at the sliding glass door followed by three to four shots. However, from his vantage point, Deputy Frieberg was unable to see the sliding glass door or the subject.

Following the shooting, his team was advised that the subject had called and was laughing that they missed him. Deputy Frieberg maintained his position until the subject was escorted from the residence.

Deputy Frieberg did not fire his weapon during the incident.

Deputy Joshua Green

Investigators Mullins and Higgins interviewed Deputy Green at the Special Enforcement Bureau shortly after the incident in 2018.

Deputy Green was assigned to the Special Enforcement Bureau Swat team. Deputy Green was on duty on January 4, 2018 and was instructed to respond to a possible barricaded

subject/hostage situation at a residence on Sandia Creek. The initial information he received consisted of the subject possibly holding [REDACTED] hostage with a shotgun or high-powered rifle.

Prior to his team being activated, Deputy Green responded to the Riverside County Sheriff's Department's storage center and waited to be activated. Upon being activated, he picked up the Bearcat and responded directly to the scene. Prior to and during the incident, there was a lot of radio traffic relaying information that the subject was coming out of the residence with a shotgun and two workers were likely still on the property in a secondary house. The subject routinely said he would burn the house down, come out with guns a-blazing and get in a shootout with police. The subject also gave multiple countdowns regarding when he was going to come out.

Then Deputy Green observed a shadow behind the downstairs sliding door. The curtains opened and a dark figure was seen with the slider door open, then he quickly ducked back. Immediately after, the barrel of a rifle opened the curtains further to the right. Deputy Green then heard three gunshots that he believed came from the turret of the Bearcat.

After the gunshots, the barrel of the gun receded behind the curtains and the subject disappeared. The crisis negotiator notified the team that the subject was back on the landline claiming they had missed him. A short time later, the subject went to the front door and was hunched over possibly bleeding from his abdomen. He came out of the residence and was taken into custody without further incident.

Deputy Heath Noyes

Investigators Higgins and Mullins interviewed Deputy Noyes at the Special Enforcement Bureau on January 10, 2018.

Deputy Noyes is a K9 deputy assigned to the Jurupa Valley Station. He also serves as a K9 deputy on the Sheriff's SWAT team. Deputy Noyes was on duty on January 4, 2018. He received a text message around 6:00 p.m. to begin the K9 preparation and head toward the Southwest Station. Deputy Noyes changed into his SEB gear, retrieved the appropriate equipment, and drove toward the southwest area.

During the drive toward Southwest, Deputy Noyes heard radio traffic that reported the subject's actions and movements. One of the reports indicated that the subject had fired a shot in the backyard. He also heard that the subject appeared to take up a shooting position with a rifle of some sort.

Deputy Noyes met with Sergeant Winder and his team who gave Deputy Noyes a brief account of what had transpired prior to his arrival. Sergeant Winder advised the plan was to approach the front of the house. Deputy Noyes placed his items and dog inside the Bearcat to prepare to enter the property. The team began to make immediate and continuous announcements over the public address system to the subject inside the house. The announcements were loud and could be heard from inside the Bearcat. At some point, several members of the team reported that there was movement in the house. Deputy Noyes heard something hit the Bearcat but did not know what it was. Deputy Noyes then heard three gunshots. Deputy De La Garza broadcast what he observed and that he fired the three shots.

The command post had been giving the team constant updates regarding the subject. Prior to the shooting, the subject repeatedly said, "I'm shooting the first cop I see come up the driveway" and "I've got bombs and booby traps everywhere." Shortly after the shooting, the subject came out of the house belligerently, yelling, "Fuck you. You motherfuckers shot me!" Deputies gave him repeated commands to show his hands, which he initially ignored. After a short time, deputies took the subject into custody.

Sergeant Daniel Winder

Investigators Higgins and Mullins interviewed Sergeant Winder at the SEB Station on January 10, 2018.

Sergeant Winder was on duty on January 4, 2018. Sergeant Winder was the sergeant assigned to the Special Enforcement Bureau, SWAT. He received a text message from the administrative sergeant for SWAT who informed Sergeant Winder of an incident that was unfolding off Sandia Creek in Temecula. Based on the circumstances of the incident, Sergeant Winder responded to the command post at about 6:00 p.m. Preliminarily, Sergeant Winder learned that the subject had a rifle and previously held [REDACTED] hostage until they were able to escape. Patrol deputies were placed at the main gate of the residence.

Sergeant Winder went to the front of the residence and coordinated with the patrol deputies and began to develop a plan of approach. Sergeant Winder approached the residence on the front of house, right side. Sergeant Winder was in the back of the Bearcat, Deputy Frieberg was to Sergeant Winder's right, Deputy De La Garza was in the turret, K9 Deputy Noyes and a member of CNT, Investigator Liu, were in the Bearcat as well. The team began making repeated announcements over the public address system informing the subject that they were at the location, they had a search warrant for the location, and they wanted him to come out unarmed with his hands in the air. They were also using lights on the Bearcat to illuminate the residence. They initially received no response to any of their announcements.

Sergeant Winder did not see the sliding glass door where the subject was located with his rifle. However, he heard Deputy De La Garza relay his observations before hearing three to four gunshots. Initially, Sergeant Winder was not clear who shot until Deputy De La Garza notified the team that he observed the subject point his rifle toward their location causing Deputy De La Garza to fire his rifle three to four times at the subject.

The crisis negotiator relayed information to Sergeant Winder's team that they were in contact with the subject after Deputy De La Garza fired the shots and the subject indicated that the officers missed him. A short time later, the subject appeared at the front door and was ultimately taken into custody where he was given immediate medical attention.

Investigator Andrew Liu

Investigators Higgins and Mullins interviewed Investigator Liu at the Jurupa Valley Station on January 8, 2019 at approximately 11:26 a.m.

Investigator Liu was an investigator with the Investigations Bureau, Jurupa Valley Station. He also was a Crisis Negotiator for the Special Enforcement Bureau. Investigator Liu was on duty on January 4, 2018, working out of the Jurupa Valley Station. He received a text message from the crisis negotiation Sergeant informing Investigator Liu of a SWAT activation in Temecula. Investigator Liu responded to the command post. He arrived at the command post at approximately 8:30 p.m. Investigator Liu was aware that Deputy Bartlett was already in communication with the subject, so Investigator Liu was tasked with speaking with [REDACTED] to acquire additional information.

Investigator Liu was then tasked with accompanying a SWAT team in a Bearcat to approach the location. Investigator Liu's responsibility was to operate the public address system to give announcements to the subject when they arrived at the location. The Bearcat moved up the driveway and parked in front of the property. Investigator Liu began to make announcements once they were parked and the team was in position. The announcements included things like, "This is the Riverside County Sheriff's Department. Robert Utley, we know you're inside. Please acknowledge that you hear us. Come out with your hands up. We're here to assist you. We're not here to harm you. Please cooperate. We have a search warrant for the location." These announcements were given approximately every 10-15 seconds. The announcements were continuous and lasted until the shooting took place, which was roughly an hour after Investigator Liu began the announcements.

Deputy Bartlett was communicating information to the team in the Bearcat regarding the subject and the statements he was making. The subject gave a timeline where he was going to exit the house and begin to fire at the deputies. Then another warning came in from the subject and said he was going to burn the house down in five minutes. Then, the subject appeared in front of the sliding glass door and pointed what appeared to be a shotgun at a 45-degree angle outside the slider. Deputy De La Garza then fired from his position in the turret. Investigator Liu heard approximately four to five shots. Deputy De La Garza indicated he believed he struck the subject.

Deputy Bartlett relayed information from the subject that the deputies missed. A short time later, the subject exited the front door and was taken into custody. The subject continued his belligerence when he was taken into custody, saying things like, "You guys are a bunch of assholes."

PHYSICAL EVIDENCE

There were no body-worn cameras utilized during the incident. The intermittently-recorded audio between Deputy Bartlett and Utley was consistent with Deputy Bartlett's summary and the other deputies' accounts of the incident. More complete summaries of Utley's actions and statements during the incident are included in the witness summaries.

Footage from the helicopter briefly captured Utley outside the house with a shotgun, but it did not capture the shooting.

Deputy De La Garza was armed with a Glock 17, 9mm semiautomatic handgun. He also carried four Glock 17 magazines. In his tactical vest, Deputy De La Garza also carried two rifle magazines. Each rifle magazine contained twenty-eight rounds of .223 ammunition. Each Glock 17 magazine was loaded to capacity with seventeen rounds of 9mm ammunition. The Glock 17 was loaded with one round in the chamber. Deputy De La Garza did not discharge any rounds from his Glock 17.

Deputy De La Garza had a BCM M4 rifle. The rifle was loaded with one .223 round of ammunition in the chamber and one magazine containing twenty-eight .223 rounds of ammunition.

Deputy De La Garza conducted a tactical reload and the magazine in the rifle was a fresh magazine. The magazine used during the shooting was removed from the rifle and placed on the Bearcat armored vehicle. The magazine used during the shooting was recovered in the turret of the Bearcat by investigators and contained twenty-four rounds of .223 ammunition.

Sergeant Winder was armed with a Glock 35, .40 caliber semiautomatic handgun. The firearm was loaded with one live .40 caliber round in the chamber. The magazine contained fifteen rounds of .40 caliber ammunition. Sergeant Winder carried two additional magazines, each was loaded to capacity and contained fifteen rounds of .40 caliber ammunition. All the .40 caliber ammunition was department-issued "FED .40 S&W." The Glock 35 was mounted with a Surefire X300 flashlight. None of the rounds were discharged from this firearm.

Sergeant Winder also had a BCM M4 rifle. The rifle was loaded with one "Speer" .223 round of ammunition in the chamber. The magazine to the rifle was loaded with twenty-seven rounds of "Speer" .223 ammunition. The rifle had an "Aim point" red dot sight and a "DBAL-A2" infrared invisible laser. None of the rounds were discharged from this firearm.

Deputy Noyes was armed with a Springfield XDM 9mm semiautomatic handgun. The firearm was loaded with one live 9mm round in the chamber. The magazine was loaded to capacity and contained 19 rounds of 9mm ammunition. Deputy Noyes carried two additional pistol magazines that were attached to his duty belt. Each additional magazine was loaded to capacity with nineteen rounds. Deputy Noyes also carried three rifle magazines in his vest. Each magazine was loaded to capacity with 30 rounds of .223 ammunition.

Deputy Green was armed with a Sig Sauer P320 9mm semiautomatic handgun. The firearm was loaded with one live 9mm round in the chamber. The magazine was loaded to capacity and contained twenty-one rounds of 9mm ammunition. Deputy Green carried an additional pistol magazine. The additional magazine was loaded to capacity with twenty-one rounds of 9mm ammunition.

Deputy Green also had a BCM M4 rifle. The rifle was loaded with one round of .223 ammunition in the chamber. The magazine had a 30-round capacity and was loaded with twenty-seven rounds of .223 ammunition. Deputy Green carried two additional rifle magazines on his vest and one additional rifle magazine on his duty belt. The additional magazines were loaded with twenty-eight rounds of .223 ammunition.

Deputy Frieberg was armed with a Smith & Wesson model 1911 .45 caliber semiautomatic handgun. The firearm was loaded with one live .45 caliber round in the chamber. The magazine was loaded to capacity with eight rounds of .45 caliber ammunition. Deputy Frieberg carried two additional pistol magazines. Both additional magazines were loaded to capacity with eight rounds.

Deputy Frieberg also had a BCM M4 .223 caliber rifle. There were no rounds in the chamber. The magazine had a thirty-round capacity. The magazine was loaded with twenty-eight rounds of .223 caliber ammunition. Deputy Frieberg carried three additional rifle magazines. Each was loaded with twenty-eight rounds of .223 caliber ammunition.

Firearm Testing

Deputy De La Garza's rifle was submitted for testing to the California Department of Justice. The firearm was examined by Criminalist [REDACTED]. Deputy De La Garza's rifle was test-fired six times and it functioned normally according to manufacturer design.

CRIME SCENE

[REDACTED] Sandia Creek Drive, Temecula

The scene was a two-story residence located at [REDACTED] Sandia Creek Drive in the City of Temecula. This area of Temecula consisted of large acre lots with residential and guest homes and remaining property used for agricultural purposes.

The subject residence was on 18.75 acres, consisting of hundreds of avocado trees. The front door faced east. There was a [REDACTED] wrought iron gate at the driveway entrance to the property, with a pillar located on each side of the gate. The driveway extends south from Sandia Creek Drive and splits to a "T," with a guesthouse to the east and the main residence to the west.

The guesthouse on the property was two-story, with a garage as the bottom floor and living quarters on the second. Both houses on the property were white. The driveway at the front of the residence is a roundabout driveway, with an approximate ten foot in diameter planter and tree in the middle.

Bearcat #1 was parked on the north side of the planter facing the residence with its front driver and passenger side doors open and its rear door open. The turret hatch was also open. Bearcat #1 was parked approximately 52 feet from the front sliding glass door to the residence. The sliding glass door was approximately 12 inches open and a shotgun was located in its threshold.

There was a white Ford F-250 truck parked north of Bearcat #1. Bearcat #2 was parked southeast of the planter. A patrol K9 unit was parked parallel to Bearcat #2.

A large amount of blood was located in the front driveway near the planter, which led to the front door of the residence. Upon entry into the front door of the residence, there was a formal living room in the far northeast corner of the residence with a formal dining room to the west. The kitchen was located in the northwest corner of the residence and another living room area to the south. The living room area had a partially open sliding glass door which faced to the east of

the property with access to the front yard and a small courtyard. The shotgun was located at the threshold of the sliding glass door and was laying on the interior floor. The shotgun had blood on the handle. Near the shotgun, there was blood on the floor near the interior wall by the sliding glass door. There was also apparent blood on the ceiling near the sliding glass door. There was blood on the couch in the living room area and a blood trail that led to the front door, the kitchen area, and extended out of the residence.

There were three live shotgun rounds located in the bottom portion of the driveway. There were also a pair of eyeglasses near the shotgun rounds as well as a pool of blood.

There was a large amount of blood on the front porch. There was also a knife with a black handle in a black sheath near the blood, along with a pill bottle and a passport with the name "Robert Utley" laying on the porch near the blood.

Inside the turret of Bearcat #1 there was a clear view to the sliding glass door. As investigators searched the exterior hatch area of the turret, they located a loaded M4 magazine and three expended .223 casings. The magazine was processed and contained 24 live .223 rounds. The magazine had white initials "DLG" inscribed on the exterior of the magazine.

In the rear yard of the residence investigators located two expended shotgun shells floating in the backyard pool. Both shotgun shells were Remington 12-gauge Peters, which were the same as the three shotgun shells that were located in the front yard.

There was a large amount of blood that continued from the porch to the kitchen of the residence. There was a kitchen knife laying on the floor of the kitchen. A loaded firearm magazine was located on the kitchen island which also had some blood on it.

As noted, a loaded 12-gauge shotgun was located on the ground near the front sliding glass door to the residence. There was apparent blood on the stock/handle of the shotgun. The shotgun was not in the safety position and was ready to fire loaded rounds. The shotgun contained three live rounds. The rounds in the shotgun were the same brand and type as the live rounds located in the front driveway and the two expended rounds found floating in the pool.

In the computer room, as well as the closet, there were multiple boxes of different types and calibers of ammunition.

Bullet strike marks consistent with Deputy De La Garza's fired rounds were located in the residence. Investigators located a bullet hole (entry and exit) through a lamp shade which was on a small coffee table just behind the open front sliding glass door to the residence. On the wall north of one of the two rear sliding glass doors, which aligned with the strike mark in the lamp shade, investigators located two additional bullet holes/strike marks. The strike marks continued outside on the exterior of the patio and corresponded to the strike marks located inside the residence.

Investigators located two possible projectiles on the rear exterior patio area. There was a projectile located just outside the rear sliding glass door and another projectile in a cement pillar on the patio. One of the sliding glass doors was shattered likely due to a projectile.

INJURIES/DRUG USE

Utley suffered five gunshot-related wounds: One to his right chest, two to his right upper abdomen, one to his left hand and one to his right forearm. Utley underwent surgery to treat the gunshot wounds. It is unclear due to medical intervention which wounds were from gunshots and which were caused by debris and/or exit and re-entry of gunshots. None of the wounds were life-threatening. There were five total injuries, but only three shots were fired. Upon recovery, he was booked into the Riverside County Jail.

Utley's blood was tested at Inland Valley Medical Center. It tested positive for cocaine, amphetamine and cannabis. Utley also admitted he had been drinking prior to the incident.

APPLICABLE LEGAL STANDARDS

Under California law, a peace officer who has reasonable cause to believe that a person to be arrested has committed a public offense may use reasonable force to make the arrest, prevent escape, and overcome resistance. (Pen. Code, § 835a.) The officer need not retreat or end his efforts to make the arrest because of the person's resistance. (Pen. Code, § 835a.) Penal Code section 834a requires that if a person has either actual or constructive knowledge that he is being arrested by a peace officer, the person must refrain from using force or any weapon to resist such arrest.

Peace officers, in the course of their duties, may use deadly force to protect themselves or others from the threat of death or great bodily harm. As set forth in CALCRIM 507 (Justifiable Homicide: By Public Officer), a peace officer is not guilty of murder/manslaughter if he killed someone while acting as a public officer. Such a killing is justified and therefore not unlawful if: (1) the officer was a public officer; (2) the killing was committed while arresting the person charged with a felony who was resisting arrest or fleeing from justice, or while the officer was performing any other legal duty; (3) the killing was necessary to accomplish one of those lawful purposes; and (4) the officer had probable cause to believe that the decedent posed a threat of death or great bodily injury, either to the officer or to others. (See Pen. Code, §§ 196, 199.) At trial, the prosecution has the burden of proving beyond a reasonable doubt that the killing was not justified; if the prosecution does not meet its burden, the officer must be found not guilty.

In addition to the laws specifically applicable to the use of deadly force by peace officers in the performance of their duties, the laws of self-defense and defense of another are available to any person, including peace officers. As set forth in CALCRIM 505 (Justifiable Homicide: Self-Defense or Defense of Another), a person is not guilty of murder/manslaughter if he was justified in killing someone in self-defense/defense of another. A person acts in lawful self-defense/defense of another if: (1) the person reasonably believed that he or someone else was in imminent danger of being killed or suffering great bodily injury; (2) the person reasonably believed that the immediate use of deadly force was necessary to defend against the danger; and (3) the person used no more force than was reasonably necessary to defend against that danger. (See Pen. Code, §§ 197-199.) Again, the prosecution has the burden of proving beyond a reasonable doubt that the killing was not justified. If the prosecution has not met this burden, then the person must be found not guilty.

In deciding whether a person's beliefs were reasonable, all the circumstances as they were known to and appeared to that person should be considered as well as what a reasonable person in a similar situation with similar knowledge would have believed. If the person's beliefs were reasonable, the danger does not need to have actually existed. (CALCRIM 505.) Additionally, the person is not required to retreat. He is entitled to stand his ground and defend himself and, if reasonably necessary, to pursue an assailant until the danger of death/great bodily injury has passed. This is so even if safety could have been achieved by retreating. (CALCRIM 505.)

With regard to officer-involved incidents, the United States Supreme Court, in *Graham v. Connor* held that an officer's use of force is to be analyzed under the Fourth Amendment's objective reasonableness standard, and "[t]he calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation." (*Graham v. Connor* (1989) 490 U.S. 386, 396-397.) Further, the Court directed, "[t]he reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with the 20/20 vision of hindsight," and the totality of the circumstances must be taken into account. (*Id.* at p. 396.) "[I]ts proper application requires careful attention to the facts and circumstances of each particular case, including the severity of the crime at issue, whether the subject poses an immediate threat to the safety of the officers or others, and whether he is actively resisting arrest or attempting to evade arrest by flight." (*Ibid.*)

CONCLUSIONS

At the time of the shooting, Deputy De La Garza was a peace officer lawfully engaged in the performance of his duties. Deputy De La Garza was dressed in a Riverside County Sheriff's Department uniform. He was tasked with assisting other deputies and members of SWAT with securing the safety of possible victims and detaining Utley.

Deputy De La Garza was inside a Riverside County Sheriff's Department Bearcat with other members of the Riverside County Sheriff's Department. When the Bearcat approached the area where the shooting occurred, Deputy De La Garza observed multiple deputies in vulnerable positions without adequate cover. Utley made numerous threats over the course of a few hours to responding deputies, both through the Crisis Negotiators Team member, Deputy Bartlett, friends and family members. Utley explicitly stated that he was going to harm responding deputies. This was reinforced by his erratic behavior, previous violent conduct toward [REDACTED], and the discharge of two shotgun blasts.

When Deputy De La Garza approached the location with other SWAT members in the Bearcat, he was being updated in real-time regarding Utley's comments, behavior and intentions. Utley gave a countdown whereby he stated he was going to come outside and start shooting deputies. Deputy De La Garza was aware of this countdown and observed multiple deputies in vulnerable positions outside the residence. After the countdown of Utley's warning, Deputy De La Garza observed Utley open the sliding door and lower his shotgun toward deputies. Utley's actions were consistent with his threats and previous violent behavior. Deputy De La Garza, in fear for not only his own safety but that of other deputies, and bereft of any reasonable alternative, fired at Utley.

Under the circumstances, Deputy De La Garza's decision to use deadly force was reasonable and done in justifiable self-defense and defense of others. Therefore, Deputy De La Garza bears no criminal liability.

A copy of this letter, along with the materials submitted for our review, will be retained in our files. Absent objection in whole or in part, this letter may be released in response to a California Public Records Act request.

Very truly yours,

MICHAEL A. HESTRIN
District Attorney
County of Riverside

JOHN AKI
Chief Assistant District Attorney

SYNOPSIS:

On Thursday, January 4, 2018, at 1600 hours, deputies from the Southwest Station were dispatched to [REDACTED] Sandia Creek Drive, in the unincorporated area of Temecula. The call was regarding a [REDACTED] person, later identified as Robert Utley. Dispatch reported Mr. Utley was armed with a shotgun and held [REDACTED] against their will. Mr. Utley later released [REDACTED] but the whereabouts of two ranch workers who remained on the property were unknown. Mr. Utley made numerous threats to kill deputies and claimed he had wired explosives on a trailer. Mr. Utley also threatened to commit "suicide by cop" and discharged his weapon at least once while deputies surrounded the residence.

The SWAT team responded and positioned two Bearcats in front of the residence. At 2257 hours, Mr. Utley exited the residence holding a shotgun in his hands. Deputy De La Garza saw Mr. Utley lower the shotgun towards the deputies which culminated in an officer-involved shooting. Mr. Utley sustained a gunshot wound to his left hand and shrapnel impacts to his torso.

DETAILS:

On Thursday, January 4, 2018, about 2330 hours, Sergeant Kenneth Violette assigned me as the primary administrative investigator for an officer involved shooting incident that occurred on [REDACTED] Sandia Creek Drive, in the unincorporated area of Temecula. Investigators Steven Leone and Victor Magana assisted me with this investigation, and Sergeant Violette responded as my field supervisor.

On Friday, January 5, 2018, at 0030 hours, I arrived at the command post and learned the criminal investigation was assigned to investigators from the Central Homicide Unit (CHU). Investigator Jennifer Higgins was assigned as the primary criminal investigator and was assisted by criminal Investigators Roberto Navarrete, Brandon Mullins, Ruben Paz, Ted Gonzalez and Jason Trudeau. Sergeant Stephen Brosche supervised the criminal investigation.

Sergeant Russel Hilton from the Temecula Station briefed the criminal investigators and administrative investigators regarding the circumstances of the officer-involved shooting. Sergeant Dan Winder obtained a public safety statement from Deputy De La Garza. The following is a summary of Deputy De La Garza's public safety statement obtained by Sergeant Winder: Deputy De La Garza believed he discharged his rifle three to four (3-4) times. Deputy De La Garza's shots were fired northwest, on the property.

Following the briefing, Investigators Magana, Higgins, Mullins, Paz, and I responded to the Temecula Station to oversee the charting of Deputy De La Garza and the other involved law enforcement personnel. Investigators Paz and Mullins responded to the Temecula Station to conduct interviews of the involved law enforcement personnel and witnesses, while Investigator Navarrete responded to Inland Valley Hospital to oversee the processing of Mr.

W
3784
2018

1 Utley. Following the charting, Investigators Leone and Trudeau responded to the crime scene
2 and oversaw the processing of the residence by Supervising Forensic Technician Elizabeth
3 Acosta and Forensic Technicians Ashley Scott and Heidi Ginesi.

4
5 Deputy De La Garza's Charting:

6
7 Forensic Technician Maria Whaley photographed Deputy De La Garza depicting his
8 appearance after this incident. Deputy De La Garza wore a modified class C uniform
9 consisting of green long sleeve sweatshirt, green BDU trousers and black boots. He was
10 wearing a load bearing vest with level four ballistic panels, a cloth name tag, a cloth sheriff
11 patch in front and back, a duty belt, and a ballistic helmet.

12
13 Forensic Technician Whaley photographed Deputy De La Garza's nylon duty belt at the
14 Southwest Station. His duty belt was equipped with his pistol, one (1) pair of handcuffs and
15 two (2) additional pistol magazines in a magazine pouch. Deputy De La Garza was not
16 carrying any recording devices during the incident. The uniform and all equipment Deputy
17 De La Garza wore on the day of the incident were Department approved.

18
19 Forensic Technician Whaley unloaded and photographed the rifle Deputy De La Garza used
20 during this incident at the Southwest Station. This rifle was a Department-owned Bravo
21 Company Manufacturing (BCM), Model M-4, .223 caliber select-fire rifle, serial number
22 [REDACTED] equipped with an Aimpoint 3x magnifier, Aimpoint micro "T" with a dual beam
23 aiming laser (DBAL), and a Surefire mini-monster suppressor. The ammunition in the rifle
24 was Department-approved Federal .223 caliber cartridges. Prior to the officer-involved
25 shooting, Deputy De La Garza's rifle contained a Department approved magazine with a
26 maximum capacity of thirty (30) loaded cartridges. With the magazine, the maximum
27 capacity for this rifle was thirty-one (31) cartridges, with thirty (30) cartridges in the
28 magazine and one (1) in the chamber.

29
30 Deputy De La Garza carried his rifle in the vehicle carry or unloaded condition, which is
31 defined as the bolt closed on an empty chamber, and a loaded magazine in the rifle. Carried
32 in this condition, the rifle's maximum capacity would be thirty (30) loaded cartridges.
33 Deputy De La Garza had three (3) additional rifle magazines at the time of the incident. All
34 four (4) magazines had a maximum capacity of thirty (30) loaded cartridges. Due to Deputy
35 De La Garza's loading practices, all four (4) of his rifle magazines contained twenty-eight
36 (28) loaded cartridges each.

37
38 Deputy De La Garza utilized one (1) of his three (3) additional rifle magazines when he
39 conducted a magazine change immediately after the shooting. The rifle magazine initially
40 used during the shooting was located at the scene and contained twenty-four (24) loaded
41 cartridges. Deputy De La Garza's remaining additional rifle magazines were loaded with
42 twenty-eight (28) loaded cartridges. Deputy De La Garza's rifle was charted by Forensic
43 Technician Whaley and found to have one (1) loaded cartridge in the chamber and twenty-
44 eight (28) loaded cartridges in the magazine. The charting of the magazines and rifle
45 revealed the maximum capacity for the rifle and additional magazines was one hundred and

3784
-2417

1 twelve (112) cartridges. There were one hundred and nine (109) loaded cartridges present at
2 charting, three (3) less than maximum capacity. The criminal investigators retained Deputy
3 De La Garza's rifle as evidence and took it to the Department of Justice Laboratory to be
4 tested.

5
6 Based on the charting and the maximum capacity of Deputy De La Garza's loaded rifle and
7 additional magazines, there was a potential that three (3) expended .223 caliber cartridge
8 cases would be located at the scene. There were, in fact, three (3) expended .223 cartridge
9 cases located at the scene.

10
11 **Deputy De La Garza's Compelled Blood Draw:**
12

13 On Friday, January 5, 2018, at approximately 0500 hours, Sergeant Violette compelled
14 Deputy De La Garza to submit to a blood draw and witnessed Phlebotomist [REDACTED]
15 [REDACTED] from American Forensic Nurses, collect two (2) vials of blood from him. After
16 the blood samples were taken, I took possession of the vials and later delivered them to Bio-
17 Tox Laboratories in Riverside for analysis.
18

19 **CRIME SCENE:**
20

21 The officer-involved shooting occurred during the nighttime hours and the area was
22 illuminated by moonlight and artificial lighting from the Bearcat. There were no street lights
23 in the immediate area. The area of the officer-involved shooting was secured, and a critical
24 incident log was maintained. Uniformed deputies in marked patrol units restricted access and
25 were posted at nearby intersections. There were no known video surveillance cameras found
26 in the area.
27

28 The officer-involved shooting occurred at [REDACTED] Sandia Creek Drive, in the unincorporated
29 area of Temecula. Sandia Creek Drive is an east west paved roadway, with one (1) lane of
30 traffic in each direction separated by a solid double-yellow line. There were dirt shoulders
31 and large properties on the north and south sides of Sandia Creek. There was one additional
32 residence about one hundred yards away within the same property, but no businesses in the
33 immediate area.
34

35 The armored Bearcat Deputy De La Garza's rode in was parked in front of the residence,
36 facing west. The Bearcat was approximately fifty-seven (57) feet east of the sliding glass
37 door on the east side of the residence.
38

39 Deputy De La Garza's shooting occurred on the east side of the residence. Three (3)
40 expended Federal .223 caliber cartridge cases were located on the turret on top of the Bearcat
41 near Deputy De La Garza's rifle magazine. That magazine contained twenty-four (24) loaded
42 cartridges. Mr. Utley's shotgun was located on the floor just inside the open sliding glass
43 door. A canvass of the property was conducted by SWAT and the two (2) workers were
44 located unharmed in a separate residence.
45

u
3784
-hll?

1 At the direction and under the supervision of Investigators Trudeau and Navarrete, Forensic
2 Technicians Whaley, Ginesi and Scott took overall photographs of the scene and evidence
3 and documented the shooting scene from a designated photographic point. Once
4 measurements were completed, they collected the evidence from the scene. All items of
5 evidence were collected by Forensic Technicians Whaley, Ginesi and Scott and turned over
6 to Investigators Trudeau and Navarrete. On Thursday, January 11, 2018, Forensic Technician
7 Hayward took aerial photographs of the scene.
8

9 A later review of the evidence located at the scene and the charting of Deputy De La Garza's
10 rifle determined the make, caliber, and head stamp on the ammunition in Deputy De La
11 Garza's rifle and rifle magazines were consistent with the make, caliber, and head stamp of
12 the three (3) expended cartridge cases located at the scene. Additionally, the location of the
13 expended cartridge cases indicated Deputy De La Garza was standing in the turret and
14 approximately fifty-seven (57) feet from Mr. Utley at the time he discharged his rifle. The
15 location of the evidence was consistent with Deputy De La Garza discharging his rifle in a
16 westerly direction toward Mr. Utley.
17

18 CRIMINAL INVESTIGATION INTERVIEWS:

19

20 Criminal investigators conducted voluntary audio-recorded interviews of Department
21 personnel involved in this incident. I listened to the recordings, reviewed the reports, and
22 determined the statements provided were consistent with subsequent statements provided in
23 administrative interviews. I did not identify any conflicts or differences in the statements that
24 required reconciliation. Refer to Investigator Higgins' criminal investigation report for her
25 paraphrase of the following recorded interviews of the involved parties and witnesses.
26

27 Interview with [REDACTED]

28

29 On Friday, January 5, 2018, at 1113 hours, CHU Investigators Higgins and Mullins
30 interviewed [REDACTED] about the incident. The following is a summary of her
31 statement.
32

33 [REDACTED] stated Robert lives with her at the ranch, takes care of her and helps her out around
34 the house. The morning of the incident Robert fixed her breakfast and later lunch as normal.
35 During the lunch conversation, [REDACTED] mentioned to Robert that he should go out and get a
36 job or something if he wasn't happy.
37

38 [REDACTED] could not remember exactly what happened, but something prompted her to call [REDACTED]
39 [REDACTED]. Robert was aggravated and talking loudly. [REDACTED] was not afraid of him,
40 but wanted someone else to be there. Eventually, [REDACTED] arrived, and Robert was still upset.
41 At one point, Robert was holding the shotgun when he told [REDACTED] and [REDACTED] to watch
42 what they say. [REDACTED] could not remember what else Robert said to them that night, but it
43 was not normal for Robert to talk to them while holding a gun. Robert did not point the gun
44 at her, but was "letting her know" he had the gun. [REDACTED] admitted that she was intimidated
45 by Robert holding the weapon, but denied she was held hostage.

[Handwritten signature]
8/2/19

Interview with [REDACTED]

On Friday, January 5, 2018, at 1149 hours, CHU Investigators Higgins and Mullins interviewed [REDACTED] about the incident. The following is a summary of his statement.

[REDACTED] stated he was called to the ranch by [REDACTED], for help about 1:30 pm. He arrived about 2:15 pm and spoke with Robert. He described Robert as "absolutely psychotic." [REDACTED] felt Robert was going to kill him and that Robert wanted to be killed by the police.

Robert had [REDACTED] sitting on the ground with the shotgun pointed at her and then pointed the shotgun at him while he complained about how [REDACTED] treated him. Robert was going back and forth pointing the gun at both victims while he complained about his life for about an hour and a half. [REDACTED] was in fear for his life when Robert pointed the gun at him and [REDACTED]. Robert told [REDACTED] he would kill him if he came near him. [REDACTED] eventually convinced Robert to let him take [REDACTED] away and that is when he called 911 after he left the property. [REDACTED] then met with responding deputies and let them use his cell phone to communicate with Robert.

Interview with Mr. Robert Utley:

On Thursday, January 11, 2018, at 1348 hours, CHU Investigator Mullins and Investigator Schell interviewed Mr. Robert Utley about the incident. The following is a summary of his statement.

Robert admitted to having a shotgun in his hands while talking with [REDACTED] and [REDACTED] but claimed he never threatened them. Robert acknowledged being very stressed out and purposely escalating the standoff by making threats toward the police at his house prior to being shot; however, he never intended to hurt a deputy or himself. Robert said his rifle was not in his hands at the time he was shot by the deputy.

ADMINISTRATIVE INVESTIGATION INTERVIEWS:

Administrative Interview with Deputy De La Garza:

On Wednesday, February 21, 2018, at 0956 hours, Investigator Leone and I conducted a digitally-recorded interview with Deputy De La Garza in a conference room at the Sheriff's Administration building in Riverside. Deputy De La Garza attended the interview with his employee representative, [REDACTED]. Deputy De La Garza was advised the interview was regarding the officer-involved shooting in which he was involved on January 4, 2018. He was previously advised he was a focus of the investigation and was provided an audio recording of his interview with CHU investigators. Deputy De La Garza acknowledged he received and reviewed the interview. I read Deputy De La Garza his rights per Miranda, which he invoked. I read him the Lybarger Admonition, which he understood. I then ordered

6
3284
chd/19

1 him to answer all questions pertaining to the investigation accurately, completely and
2 truthfully. Deputy De La Garza agreed to participate in the interview and the following is a
3 summary of his compelled statement.
4

5
6
7
8
9
10
11 When this officer involved shooting occurred, Deputy De La Garza's regular shift hours
12 were from 1400 hours to midnight. Deputy De La Garza's regular days off were Sunday,
13 Monday, and Tuesday.
14

15 Deputy De La Garza discharged his rifle three (3) times at Mr. Utley, who was standing
16 approximately fifty-seven (57) feet away from him. There was nothing obstructing Deputy
17 De La Garza's view and there was an empty room in the background. Deputy De La Garza
18 discharged his rifle because Mr. Utley pointed a firearm at the deputies. Deputy De La Garza
19 believed Mr. Utley was going to shoot them and if he did not take action. Deputies would
20 either be hospitalized or killed.
21

22 Mr. Utley stepped back into the room and out of view. Deputy De La Garza conducted a
23 magazine change and placed his magazine on the turret. Mr. Utley later complied with the
24 commands and exited the residence. Mr. Utley was taken into custody without further
25 incident. The SWAT medic rendered immediate medical aid, and Mr. Utley was
26 subsequently transported to the hospital for treatment.
27

28 I ordered Deputy De La Garza not to discuss the facts of this case or anything said in the
29 interview except with a legal representative. He advised he understood and agreed to comply
30 with the order, and the interview was concluded at 11 18 hours.
31

32 **INJURIES TO SHERIFF'S PERSONNEL:**
33

34 No Department personnel were injured during this incident.
35

36 **INJURIES TO MR. ROBERT UTLEY:**
37

38 Mr. Utley sustained one gunshot wound to his left hand and shrapnel injuries to his torso.
39

40 **WEAPON INSPECTION:**
41

42 On Thursday, January 18, 2018, Criminalist [REDACTED], from the California Department
43 of Justice, completed the forensic examination of Deputy De La Garza's BCM, model M-4,
44 .223 caliber select-fire rifle. Criminalist [REDACTED] determined the rifle functioned properly
45 during the examination and test-firing. On January 18, 2018, I took possession of the rifle

3784
CHM/K

1 and delivered it to Sheriff's Armorer McDermott for inspection.

2
3 On Thursday, January 18, 2018, Sheriff's Armorer McDermott conducted a detailed
4 inspection of Deputy De La Garza's rifle. Sheriff's Armorer McDermott found the rifle was
5 in good condition without defects or modifications. Sheriff's Armorer McDermott noted the
6 cartridges in Deputy De La Garza's rifle were Department approved. Sheriff's Armorer
7 McDermott test-fired the rifle, and it functioned as designed with no malfunctions. Sheriff's
8 Armorer McDermott documented his inspection in a standard armorer's report.

9
10 **BLOOD ANALYSIS RESULTS:**

11
12
13
14
15
16
17
18 **ADMINISTRATIVE REVIEW OF DISPATCH RECORDS:**

19
20 Sheriff's Dispatch provided a copy of the Dispatch recordings containing the radio
21 transmissions made during the incident (Officer Involved Shooting) on January 4, 2018. I
22 reviewed the Dispatch recordings, which were consistent with the information learned during
23 the administrative investigation. The following is a timeline summarizing the radio traffic
24 during the officer-involved shooting:

- 25
26 ➤ 16:00:37 hours Dispatch broadcast a [REDACTED] call for service, suspect held
27 family hostage with a gun and threatened suicide by cop.
28 ➤ 16:10:19 hours Dispatch broadcast the suspect claimed trailer was rigged with
29 explosives.
30 ➤ 16:22:35 hours Dispatch broadcast subject is armed with a shotgun and will
31 shoot first officer he sees.
32 ➤ 22:32:05 hours Suspect threatened to come out "guns a blazing"
33 ➤ 22:57:57 hours Suspect exiting residence with a firearm, shots fired.

34
35 **SHOOTING REVIEW BOARD:**

36
37 On Thursday, April 26, 2018, a Shooting Review Board was convened at Sheriff's
38 Administration to consider the facts and circumstances surrounding Deputy De La Garza's
39 officer-involved shooting on Thursday, January 4, 2018. The members of the panel were
40 Chief Deputy Jason Horton, Captain Joseph Pemberton, Sergeant Jeff Reese, Deputy Elijah
41 Perez, and Deputy Chad Howard. After a presentation of the facts and circumstances
42 surrounding the incident, the panel recommended a finding that Deputy De La Garza's
43 actions were in compliance with all Department General Orders sections pending final
44 review and approval from the Sheriff.

45
3228
1/17

DISTRICT ATTORNEY'S REVIEW/DISPOSITION LETTER:

As of the conclusion of this administrative investigation, the Riverside County District Attorney's Office has not completed its review. Once the District Attorney completes the review, their finding will be attached to this report.

CASE STATUS:

The Professional Standards Bureau anticipates no further investigative action at this time. This investigation will be forwarded to the Sheriff for final disposition.

FIREARM DISCHARGE REVIEW PANEL SUMMARY

DEPUTY ELOY DE LA GARZA #3784

DATE OF INCIDENT: JANUARY 4, 2018

PAGE 1

SYNOPSIS:

On Thursday, January 4, 2018, at 1600 hours, deputies from the Southwest Station were dispatched to [REDACTED] Sandia Creek Drive, in the unincorporated area of Temecula. The call was regarding a [REDACTED] person, later identified as Robert Utley. Dispatch reported Mr. Utley was armed with a shotgun and held [REDACTED] against their will. Mr. Utley later released [REDACTED], but the whereabouts of two ranch workers who remained on the property were unknown. Mr. Utley made numerous threats to kill deputies and claimed he had wired explosives on a trailer. Mr. Utley also threatened to commit "suicide by cop" and discharged his weapon at least once while deputies surrounded the residence.

The SWAT team responded and positioned two Bearcats in front of the residence. At 2257 hours, Mr. Utley exited the residence holding a shotgun in his hands. Deputy De La Garza saw Mr. Utley lower the shotgun towards the deputies which culminated in an officer-involved shooting. Mr. Utley sustained a gunshot wound to his left hand and shrapnel impacts to his torso.

DETAILS:

PRELUDE

1. On Thursday, January 4, 2018, at 1600 hours, deputies from the Southwest Station were dispatched to [REDACTED] Sandia Creek Drive, in the unincorporated area of Temecula. The call was regarding a [REDACTED] person, later identified as Robert Utley.
2. Dispatch reported Mr. Utley was armed with a shotgun and held [REDACTED] against their will. Mr. Utley later released [REDACTED], but the whereabouts of the two ranch workers who remained on the property were unknown. Mr. Utley made numerous threats to kill deputies and claimed he had wired explosives on a trailer. Mr. Utley also threatened to commit, "suicide by cop." Mr. Utley discharged his shotgun at least once while deputies surrounded the residence. Star 9 was overhead and verified Mr. Utley was armed with a shotgun and was moving about the property.
3. The SWAT team responded to the address. A surround / call out plan was formulated and implemented. Two Bearcat armored vehicles were positioned in front of the

FIREARM DISCHARGE REVIEW – PANEL SUMMARY

DEPUTY ELOY DE LA GARZA #3784

DATE OF INCIDENT: JANUARY 4, 2018

PAGE 4

residence with numerous SWAT team deputies in and around the vehicles. Deputy De La Garza was in the turret of one of the Bearcats and used the vehicle's headlights and auxiliary lighting equipment to illuminate the residence. Due to the layout of the property, several deputies had to be deployed on foot outside the armored vehicles.

4. Mr. Utley was given numerous commands to exit unarmed by both the hostage negotiating team inside the Bearcat and the command post using the telephone. Mr. Utley failed to comply and continued to make threats to come out "guns a blazing". Mr. Utley gave the SWAT team two separate countdowns to his exit where he threatened to come out and shoot at the deputies. Mr. Utley also threatened to set the house on fire if anyone attempted to enter it.

INCIDENT

5. At 2257 hours, Deputy De La Garza saw Mr. Utley begin to exit the residence via the sliding door holding a shotgun in his hands. Deputy De La Garza saw Mr. Utley lower the shotgun toward the deputies. Deputy De La Garza, fearing for the lives of his partner deputies, discharged his rifle three times at Mr. Utley. Mr. Utley sustained a gunshot wound to his left hand and mid torso area.

AFTERMATH

6. Mr. Utley initially ran back into the residence but later complied and exited. Mr. Utley was taken into custody without further incident. The SWAT medic rendered immediate medical aid, and Mr. Utley was subsequently transported to the hospital for treatment.

D. FORENSIC PHOTOGRAPHS AND EVIDENCE COLLECTION

1. Forensic technicians from the Riverside County Sheriff's Department documented, photographed, and collected evidence from the scene at the direction of the Central Homicide Unit.

E. INJURIES

1. No Department personnel were injured during the incident.
2. Mr. Utley sustained a gunshot wound to his left hand and shrapnel impacts to his torso.

GENERAL ORDERS TO BE ADDRESSED:

USE OF FORCE

1000.03 The Department demands the exercise of good judgment at all times when force is necessary.

1000.04 Members shall not use more force than is reasonably necessary in overcoming any resistance or force.

1000.07 Lethal force will only be used when all other reasonable means have failed in the defense of a person's life or the life of the Department member.

FIREARMS

1001.03 The Department considers weapons/firearms to be defensive weapons, to be used only when necessary and justified.

1001.04 When armed, the Department demands the exercise of good judgment.

1010.03 The discharge of any weapon shall be prohibited except under the following conditions:

A. When all other reasonable means have failed in the defense of a person's life or the life of the Department member.

1003.06 Prior to the deployment of an approved .223 or 5.56 mm patrol rifle, employees shall consider the following:

A. The appropriateness of the use of alternate weapons and/or tactics.

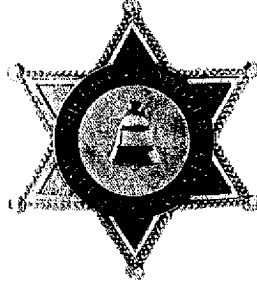

B. The velocity and penetrating power of the .223 or 5.56 mm round.

C. The range of the .223 or 5.56 mm round.

D. The background behind the potential target, and the risk to other persons in the area.

E. On scene location of the Department's Emergency Services Team members.

3

S.R.B. Instructions

PURPOSE:

- The Shooting Review Board is to review the facts surrounding the firearm discharge by Deputy Eloy De La Garza, which occurred on Thursday, January 4, 2018.
- The Professional Standards Bureau will present the facts to the panel, who will determine if Departmental programs, policies, and procedures were followed.
- The findings of the panel will be forwarded to the Sheriff, who will conduct a review.
- If the findings are not unanimous, a minority report may be written by a panel member designated by the Panel Chairperson.

4

S.R.B. Instructions

PROCEDURES:

- Deputy De La Garza will be asked to leave the room.
- The circumstances of the shooting incident will be presented by the Professional Standards Bureau.
- The panel members may discuss the facts regarding the discharge of the firearm. The panel members will determine whether the incident is in compliance with Departmental General Orders.
- Deputy De La Garza may be questioned by the panel to clarify issues. These inquiries may include questions concerning opinion or compliance with General Orders, but questions concerning any previous disciplinary actions are not permitted.

5

S.R.B. Instructions

PROCEDURES (CONT):

- Peace officer rights are protected by Section 3300 of the Government Code. Deputy De La Garza was invited to this panel to give his recollection of the circumstances of the shooting incident. Under the Government Code, a peace officer has a right to be questioned by no more than two designated people. Deputy De La Garza has agreed to waive his rights for the purpose of this review so panel members may question him directly, if needed. Therefore, any of Deputy De La Garza's responses to panel questions are compelled statements, given without waiver of the right to remain silent.

6

S.R.B. Instructions

PROCEDURES (CONT):

- A report will be completed by the panel and forwarded to the Sheriff for final disposition.
- Panel members may be called upon to testify at any subsequent hearings.

7

S.R.B. Instructions

PANEL MEMBER INSTRUCTIONS:

- Each of you have been given an outline of the circumstances. These outlines are for your use to review and take notes. At the conclusion of the review, the outlines and any notes taken during the presentation will be collected by the Professional Standards Bureau.
- To protect the confidentiality rights of Deputy De La Garza, you are admonished not to discuss any information regarding the facts of this shooting review after the conclusion of the hearing.

General Orders

Use of Force – 1000.03

- The Department demands the exercise of good judgment at all times when force is necessary.

40

General Orders

Use of Force – 1000.04

- Members shall not use more force than is reasonably necessary in overcoming any resistance or force.

41

General Orders

Use of Force – 1000.07

- Lethal force will only be used when all other reasonable means have failed in the defense of a person's life or the life of the Department member.

42

General Orders

Firearms -- 1001.03

- The Department considers weapons / firearms to be defensive weapons, to be used only when necessary and justified.

43

General Orders

Firearms 1001.04

- When armed, the Department demands the exercise of good judgment.

44

General Orders

Firearms 1010.03

- The discharge of any weapon shall be prohibited except under the following conditions:
 - A. When all other reasonable means have failed in the defense of a person's life or the life of the Department member.

45

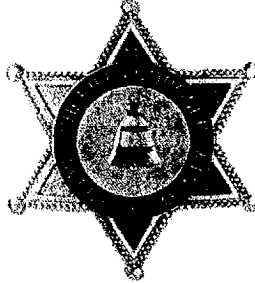

General Orders

Firearms -- 1003.06

- Prior to the deployment of an approved .223 or 5.56 mm patrol rifle, employees shall consider the following:
 - A. The appropriateness of the use of alternate weapons and/or tactics.
 - B. The velocity and penetrating power of the .223 or 5.56 mm round.
 - C. The range of the .223 or 5.56 mm round.
 - D. The background behind the potential target, and the risk to other persons in the area.
 - E. On scene location of the Department's Emergency Services Team members.

PERS NO. 2018-0007

CASE AGENT: Investigator Gustavo Castañeda

Firearms Review Panel (Members):

1. Chief Deputy Jason Horton
2. Captain Joseph Pemberton
3. Sergeant Jeff Reese
4. Deputy Elijah Perez
5. Deputy Chad Howard

Firearm discharge on January 4, 2018, at 2257 hours, involving Deputy De La Garza at [REDACTED] Sandia Creek Drive, Temecula, CA.

SECTION I

On April 26, 2018, a panel was convened by the Sheriff to review the incident reported on the attached forms, which indicates the discharge of a firearm by personnel of the Riverside Sheriff's Department. This panel received, read, and/or reviewed information from the following:

(Y or N)

- | | |
|--|---|
| 1. (Y) Department Reports
FILE # SW 18 004 0040 | 5. (Y) Interview of witnesses to the incident. |
| (N) A. Other department report
PERS #2018-0007 | 6. (Y) A diagram of the incident. |
| (N) B. Outside agency review report
N/A | 7. (Y) Photographs of the incident. |
| (N) C. Other | 8. (N) Exchange of information between
panel members. |
| 2. (Y) Interview of personnel directly
involved. | 9. (N) Questioning of witnesses by panel
members. |
| 3. (N) Interview of personnel indirectly
involved. | 10. (Y) Questioning of employee(s)
directly involved by panel members. |
| 4. (N) Interview of involved personnel's
supervisor(s). | 11. (N) A final statement by personnel
involved of any item which may
have been overlooked during the
investigation. |

SECTION II

The Review Panel agreed the major issues to be considered were:

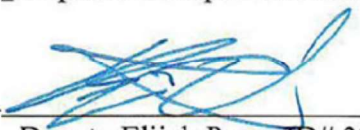

ISSUE	FINDINGS	
	Within Compliance	Out of Compliance
1. General Orders 1000.03	(✓)	()
2. General Orders 1000.04	(✓)	()
3. General Orders 1000.07	(✓)	()
4. General Orders 1001.03	(✓)	()
5. General Orders 1001.04	(✓)	()
6. General Orders 1010.03	(✓)	()
7. General Orders 1003.06	(✓)	()

SECTION III

The conclusions reached on the issues by the panel were shown in Section II. The recommendation of the panel is:

The discharge of firearms was IN COMPLIANCE Departmental policies and procedures

PHYSICAL EVIDENCE EXAMINATION REPORT

OFFICER: ELOY DE LA GARZA

OFFENSE: OFFICER INVOLVED INCIDENT

OFFENSE DATE: 01/04/2018

I, the undersigned, declare under penalty of perjury: (1) I am employed by the State of California, Department of Justice (DOJ), Bureau of Forensic Services; (2) I conducted an examination of the material described below in the ordinary course of my work as a qualified examiner, according to approved laboratory procedures that include creation of contemporaneous documentation and the technical review of my work; (3) The observable data is set forth in the associated laboratory case record; (4) Any opinions, interpretations, or conclusions in this report are based upon data in the associated laboratory case record and findings listed below.
Note: This laboratory report has been prepared and retained by DOJ in the normal course of business according to DOJ's regular practices and procedures. The Department of Justice Laboratory is accredited by the American Society of Crime Laboratory Directors / Laboratory Accreditation Board (ASCLD/LAB).

SUMMARY/RESULTS

The rifle (Item 2025236) functioned as designed during examination and test firing.

EVIDENCE

The following evidence was submitted to the Laboratory by R. Paz of the Riverside County Sheriff's Office, Central Homicide Unit on 01/05/2018:

<u>Item</u>	<u>Description</u>
2025236	BCM model BCM4 select-fire rifle with serial number [REDACTED]
2025238	Magazine loaded with twenty seven .223 Remington cartridges and one loose .223 Remington cartridge

EXAMINATION

Item 2025236 was determined to be a BCM model BCM4 select-fire rifle chambered to fire 5.56 NATO cartridges. The barrel is conventionally rifled with a right twist and six lands and grooves. The trigger pull was approximately four and one half pounds. The rifle was test fired using six cartridges from the submitted magazine. Three cartridges were fired in the semi-automatic configuration and three in the full-automatic configuration. The six fired cartridge cases were recovered and designated as Item 36TF. The rifle functioned as designed during examination and test firing.

Item 2025238 consisted of one Magpul PMAG 30 magazine loaded with twenty seven Speer .223 Remington cartridges with jacketed soft point bullets and one loose Speer .223 Remington cartridge with a jacketed soft point bullet. The magazine was used during the examination and test firing of the rifle. The loose cartridge and the cartridges from the magazine not used to test fire the rifle were not examined further.

FIREARM MODEL: BCM M4 5.56 Cal

SERIAL #: AW00188

FIREARM AUTHORIZED: Yes.

LAST QUALIFIED: [REDACTED]

INSPECTED BY: McDermott #N3764

INSPECTION AND TESTING

COMMENTS:

On 01/18/2018, Investigator Castaneda (ID.#3519), of the Riverside County Sheriff's Professional Standards Bureau, requested a detailed inspection of the above listed firearm.

I completed an inspection of the firearm. The outside of the firearm was determined to be within factory specifications. I performed an Armorer's inspection of the firearm and observed the internal parts were in good working condition and did not appear to have been modified.

The magazine included with the weapon was inspected and found to be in good working order.

I test fired four rounds with the firearm and found it functioned as designed with no malfunctions. Overall, the firearm was found to be in good condition.

The rifle had an Aimpoint Mirco Red Dot,Steiner DBAL-A2, Surefire Suppressor and forend grip installed all of which are Department approved
